The mission

of the American Guild of Organists is to enrich lives through organ and choral music. To achieve this, we:

- ♦ encourage excellence in the performance of organ and choral music,
- ♦ inspire, educate, and offer certification for organists and choral conductors,
- ♦ provide networking, fellowship, and mutual support,
- ♦ nurture future generations of organists,
- ♦ promote the organ in its historic and evolving roles, and
- ♦ engage wider audiences with organ and choral music.

We invite you

to consider supporting, enhancing, and sustaining the Greater Kansas City Chapter of the American Guild of Organists. Givers are recognized in the chapter's Donor and Memorial Registry, and, as warranted, receive mailed acknowledgments with appropriate IRS documentation. Names are published in the Chapter's printed programs for a current season and/or for an underwritten event.
